(2) Despite subsection (1), the County Education Board may give written notice to the provider of an education centre registered under subsection (1), requiring the service provider who operates that centre to apply for registration under regulations made under section 48 within three months of the date of that notice, and—

- a) if that service provider fails to make such an application within the specified period, the centre ceases to be licensed under subsection (1) at the end of that period; or
- b) if that service provider makes such an application within the required period, the centre continues to be licensed under subsection (1) until that application has been determined.

(3) Despite subsection (1), if subsection (4) applies, the Secretary may, by written notice to the service provider who operates an early childhood education and care centre that is deemed to be licensed under subsection (1), declare that the centre is no

longer licensed under subsection (1) and the notice has effect accordingly.

(4) The Board may give a notice under subsection (3) only if it is satisfied that the service provider or the centre—

- a) fails to comply with the regulations made under section 44; or
- b) fails to comply with any conditions for registration.

(5) The Board may, despite the fact that the centre concerned does not meet the minimum requirements for registration under section 18, issue to the service provider operating the centre a transitional certificate in such manner as the County Executive Committee Member may prescribe and subject to such conditions as the Executive Committee Member may impose.

(6) Where the Board is not satisfied that the conditions specified in a certificate issued under subsection (5) are being complied with, the Board may, by written notice to the service provider operating the centre, cancel the certificate.

(7) Every notice under subsection (3) or subsection (6) shall set out the reasons for the action taken.

(8) Subsections (1) to (6) shall not limit any powers to cancel, suspend, or reclassify certificate or education centre in the manner prescribed by the County Executive Committee Member.

Regulations

44(1). The County Executive Committee Member may, in consultation with the Board, make regulations generally for the better carrying out of the provisions of this Act.

learning and development, staffing and parental or caregiver participation, health and safety, implementation of the curriculum framework, communication and consultation with parents, the operation or administration of those services, or any of them, to be complied with to ensure the health, comfort, care, education, and safety of children attending licensed early childhood services;
