Special Notes

1. The Lump-Sum price is arrived at on the basis of inputs – including rates – provided by the Consultant. The Client agrees to pay the Consultant according to a schedule of payments linked to the delivery of certain outputs, usually reports. Lump-sum contracts have the simplicity of administration, the Client having only to be satisfied with the outputs without monitoring the staff inputs and should be used for large Assignments in for example Design; Engineering; Supervision and Management Services; Master plans; Economic and Feasibility studies; and Surveys.
2. The Contract includes four parts: Form of Contract, the General Conditions of Contract, the Special Conditions of Contract and the Appendices. The Client using this standard contract should not alter the General Conditions. Any adjustment to meet any specific project features should be made only in the Special Conditions.

6.2(b) The amount in local Currency is _____ [Insert amount]

6.4 Payments shall be made according to the following schedule:

Note: (a) This sample Clause should be specifically drafted for each Contract and the following installments are indicative only; (b) if the payment of foreign currency and of local currency does not follow the same schedule, add a separate schedule for payment in local currency; and (c) if applicable, detail further the nature of the report evidencing performance, as may be required, e.g., submission of study or specific phase of study, survey, drawings, draft bidding documents, etc., as listed in Appendix B, Reporting Requirements. In the example provided, the bank guarantee for the repayment is released when the payments have reached 50 percent of the lump-sum price, because it is assumed that at that point, the advance has been entirely set off against the performance of services.

- Twenty (20) percent of the Contract Price shall be paid on the commencement date against the submission of a bank guarantee for the same.
- Ten (10) percent of the lump-sum amount shall be paid upon submission of the inception report.
- Twenty-five (25) percent of the lump-sum amount shall be paid upon submission of the interim report.
- Twenty-five (25) percent of the lump-sum amount shall be paid upon submission of the draft final report.
- Twenty (20) percent of the lump-sum amount shall be paid upon approval of the final report.
- The bank guarantee shall be released when the total payments reach fifty (50) percent of the lump-sum amount.
