### 1.0 INTRODUCTION

The Nandi County Institutional Development Plan and Budget for FY 2025/2026 was prepared in adherence to the principles contained in the Second Kenya Devolution Support Programme Operations Manual (POM). The plan was collaboratively prepared by the County Program Implementation Unit and benefited from the wise counsel and guidance of the County Program Technical Committee and County Program Steering Committee. Each of the KRA focal person held consultative meetings with respective Technical Implementing Partner Teams (TIPT) for the KRA to identify gaps as well as prioritize activities and sub activities that will address the program gaps. The plan focused on identified priorities which aligns with the Program Objectives and is expected to have high impact on the County institutional capacity.

Review comments by the NPCU were incorporated in the draft document by the County Program Implementation Unit which led to the final Draft Workplan, Budget and Cash flow plan for FY 2025/2026. The final draft plan was forwarded to the County Program Technical Committee (CPTC) for review, deliberation and guidance on alignment with sector strategic priorities.
